

This is Woshi, Water-Warden **Kidnapped as a tadpole [+0]** and **raised by Water-Wardens [+1]**, protectors of Yuk, the sacred vision-giving pond-water. He **learned the Yuk-ways in mind and blood [+2]**, as they were slowly killed off. He alone **is guardian of the Yuk-source [+1]**, **cut off from all [+2]** but his retired master Marp.

Remaining Pool = 5
