

YALU, son of YADIN

Player: Rod Anderson

Created: April 24, 2022 for Sorcerer RPG using Sorcerer and Sword supplement.

The Master of Music under King Omari's reformist regime in Luzom, he was part of a great flowering of artistic expression in Ammon-Ta. This ended when religious traditionalists overthrew Omari to enthrone a child-king under their control, and Yalu fled eastward to breathe freer air. Yalu has taken a position as the court musician for a wealthy merchant in Shadrazar.

Stamina 4 Arcane Regimen (breath/meditation/martial arts) Breath and yogic meditation

Will 5 Zest for Life

Lore 1 Naive

Past 5: Omari's Master of Music

Humanity 5

Price: Impious (-1 to interactions with conventionally religious people)

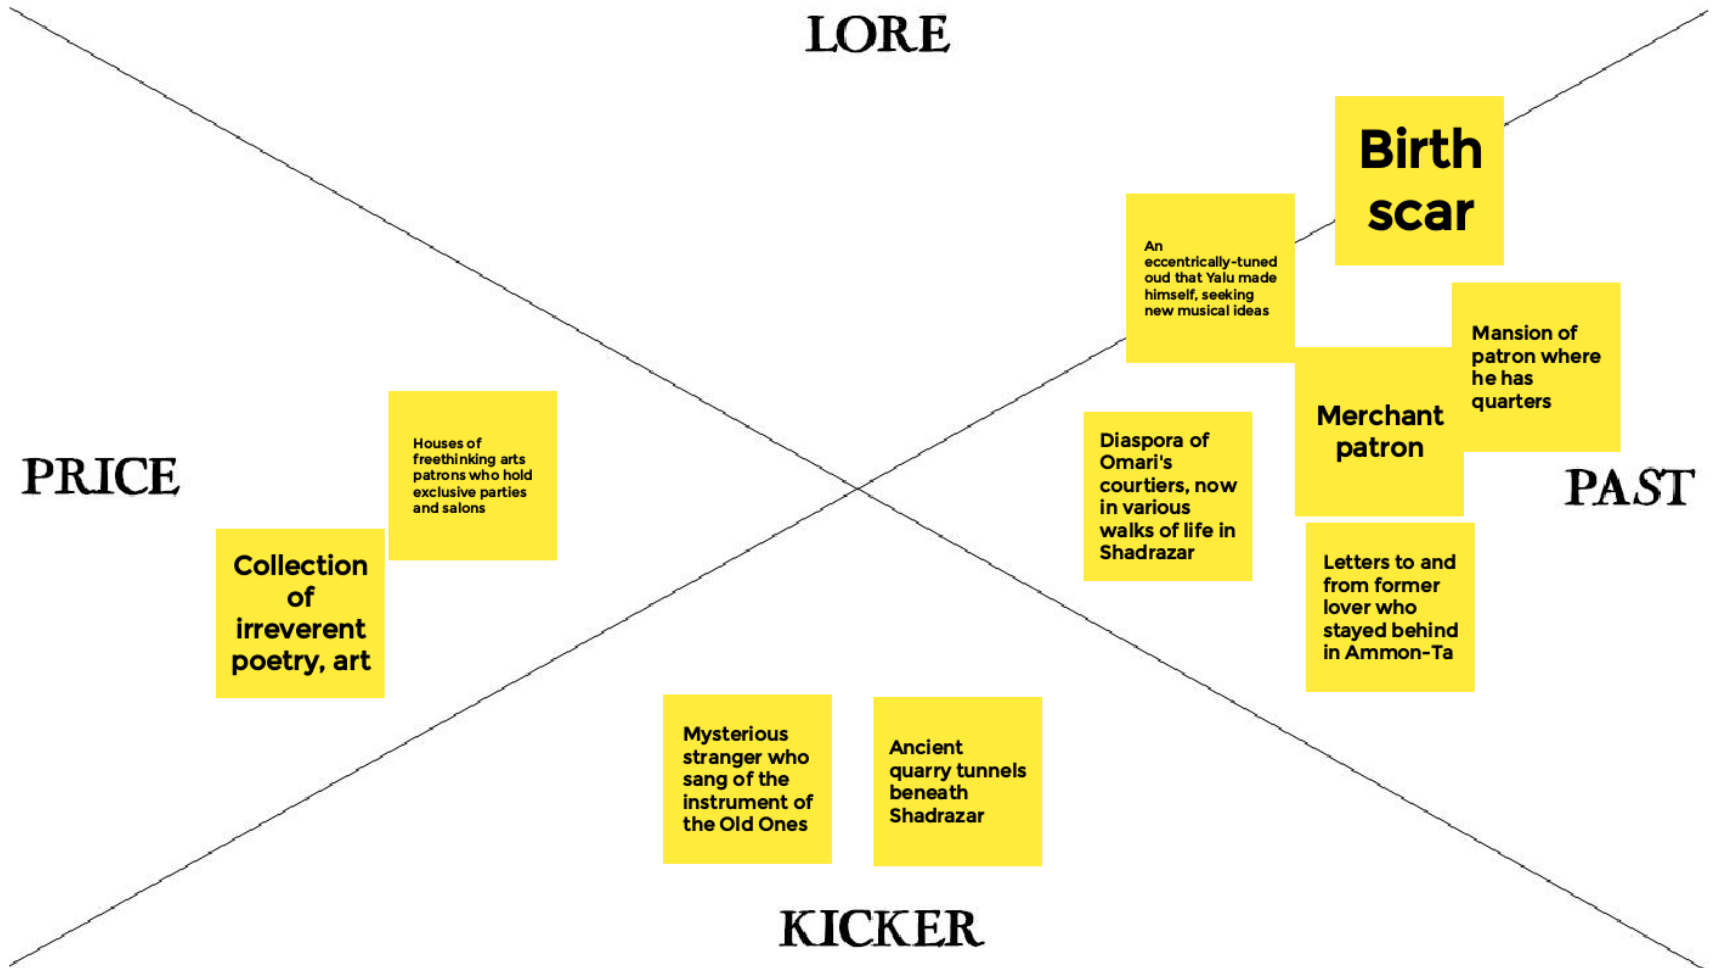

Telltale: Unusual scar on chest where conjoined twin was removed at birth

Destiny: Unchanging Star

No Bound demon (but what about that conjoined twin? I know, but that's something I think I'll leave on the back burner for now)

Kicker: Yalu has heard a legend that an instrument of the old ones lies buried beneath Sharazad, and no human has ever heard its music. He must be the first to play it!

Kicker:

Hamze, the Beggar King of Shadrazar, had ambitions above his station: he romanced Ashara, daughter of one of the great Merchant Princes, who returned his love. But her brothers severely disapproved: they enlisted the aid of Buzur, Hamze's discontent lieutenant, who betrayed Hamze and led him to an ambush. He was set upon by Ashara's brothers and left for dead on a pile of plague-ridden corpses destined to be buried in a mass grave.
